

POSTER COMPETITON

The National Water Week Poster Competition is on again in 2025!

Primary School students are asked to create a poster reflecting water-related issues which are important and relevant to them and their local area.

Teachers – this is a great activity for the classroom in the lead up to National Water Week. Last year 1000s of poster entries were received from Australian Primary Schools.

Poster entries are invited in four categories:

- Prep / Foundation
- •Years 1 & 2
- •Years 3 & 4
- •Years 5 & 6

Kids - entries will be judged locally with winners in each category submitted for national judging.

GREAT PRIZES CAN BE WON BY BOTH YOU AND YOUR SCHOOL!

Prizes at the state level judging vary from state to state (please check with your local water authority). AWA will accept 1 entry per category from schools whose local water corporation is not running a local competition

Prizes at the national level judging will be awarded in each of the four categories

Winners will be chosen using the following criteria:

- How well the poster conveys water related issues relevant to your area ie; inland school posters would not be focussed on ocean activities.
- How well it can be reproduced to promote National Water Week.
- Appearance: attractively displayed in colour.
- How good it looks from a distance
- Effective use of art materials.
- Originality of design or innovative concept.
- One entry per student.
- One student per poster.

Entry criteria:

- Poster MUST be A3 (30x40cm) in size
- Any medium, including paper, can be used.
- Any art material can be used including paint, textas, coloured pencils or collage materials.
- An official entry form must be securely attached to the back of each poster.
- Entries must reach the Australian
 Water Association by Friday 29
 September for National judging.
 Entries coming directly to the AWA
 must be scanned and emailed, along
 with the completed entry form
